ELDAC provides information, guidance and resources to health professionals and aged care workers to support palliative care and advance care planning to improve the care of older Australians.

[www.eldac.com.au](https://www.eldac.com.au)

SMRPCC provides assistance with navigating the service system, online training, and a monthly newsletter.

[smrpcc.org.au](https://smrpcc.org.au)

Resources, evidence, clinical groups, information.

[www.caresearch.com.au](https://www.caresearch.com.au)

palliAGED is the palliative care evidence and practice information resource for the Australian aged care sector.

[www.palliaged.com.au](https://www.palliaged.com.au)

PACOP involves routine data collections using assessment tools, which will identify when additional palliative care support is needed, leading to the delivery of better-quality care.

[www.uow.edu.au/australasian-health-outcomes-consortium/pacop/pacop-for-clinicians](https://www.uow.edu.au/australasian-health-outcomes-consortium/pacop/pacop-for-clinicians)

RACFs contact PACOP to participate as a whole service.

### Greater Choice for At Home Palliative Care

Not aged care specific.  
Initiatives to improve palliative care (focus on primary health, GPs).
