

# PEPA Program of Experience in the Palliative Approach

Funded by the Australian Government Department of Health

The Program of Experience in the Palliative Approach (PEPA) aims to improve the accessibility of quality palliative care in the community by increasing the skills and confidence of health professionals who are caring for people with life-limiting illness, and their families.

## *"A Palliative Approach to Care"*

*Includes: \* Communication in palliative care contexts \* Advance Care Planning concepts and principles  
\* Symptom recognition and understanding & End of Life considerations.*

*Facilitated by Myra McRae, Palliative Aged Care Support Nurse, BSWRPC.*

*&*

## *"Non-Malignant Disease and Palliative Care"*

*Facilitated by Dr. Jan Grant, Medical Specialist in Palliative Care*

\*\*\*\*
